Foreword

You are cordially invited to visit our nurseries. We are very proud of them. At our main nursery on Jericho Turnpike, we have 215 acres of irrigated land; at our other nursery, two miles south on Longwood Road, we have 130 acres, also under irrigation. Both places were woodland, cleared and developed by ourselves. They were selected for altitude, being the highest points of land on Long Island, and for the high-quality, heavy clay loam.

We have seven greenhouses, where we propagate about 500,000 azaleas, shrubs, and evergreens each year.

Lining Out Stock in back of book, beginning on Page 24.

General Information

Location. We are located in the geographical center of Long Island—on the Jericho Turnpike (Route 25) half way between New York City and Montauk Point and half way between Long Island Sound and the Atlantic Ocean.

Prices quoted are net, f.o.b. our nurseries, and are subject to change without notice. This price-list cancels all previous price-lists.

Terms: Accounts are due thirty days from date of invoice. Cash or satisfactory trade or bank references must accompany all orders from purchasers unknown to us. Interest at 6% will be charged on all overdue accounts.

Claims must be made immediately upon receipt of stock.

Packing and Delivery are in addition to cost of plants and are charged at actual cost.

Azaleas

ALL SHEARED, COMPACT PLANTS. B&B

We are the largest grower of azaleas in New York State. We have over 200,000 in the fields, from six inches to three feet in size. They are all under irrigation and are sprayed regularly; and we feel that they are the finest azaleas ever offered to the trade. They are propagated from the hardiest species that have been outdoors, unprotected, for the past sixteen years and are treated for shipment outside the Japanese Beetle zone.

We hope that we may be of service to you.

Liner Department

We have developed a nice business in liners due to the fact that we select our best plants for our customers. We plant whatever we have left on our nurseries. We have several acres under lath and find that we have better plants when shaded for the first two years.

Come out and pay us a visit.

We will reserve plants for Spring or Fall. No deposits required on any of our stock.
